(Amended Nov. 23, 1999, effective Jan 1, 2000)

Source. - This Rule is derived from former Rule 548.

Effect of amendments. - The 1988 amendment substituted "the total compensation paid to jurors who reported and were not otherwise utilized may be assessed as costs in the action against a party or parties in the discretion of the court" for "the daily compensation for 20 jurors shall be taxed as costs in the action" in the first sentence, and deleted the former second and third sentences in section (b).

The 1996 amendment deleted "legal" preceding "holidays" in the first sentence of (b). The 1999 amendment deleted "with the approval of the Circuit Administrative Judge" preceding "may waive" in the last sentence in (b).
