- 1 IT IS HEREBY STIPULATED AND AGREED that
- 2 the reading and signing of this deposition are
- ه waived. ه
- 4
- 5 duly been sworn to tell the truth, the whole truth
- 6 and nothing but the truth, testifies as follows:
- 7 EXAMINATION BY MR. SCHNEIDER
- 8 BY MR. SCHNEIDER:
- 9 Q. Can you say your full name and your current
- 10 address.
- 11 A.
- 12 Maryland 21060.
- 13 Q. my name is Jack Schneider, and I'm
- 14 representing who was involved in the
- 15 accident with you. I'm going to be asking you a
- 16 series of questions to learn a little bit about you,
- 17 but more importantly to find out what happened in the
- 18 accident and what injuries you suffered as a result
- 19 of the accident. If my questions aren't clear at any
- 20 time, just let me know and I'll try to restate it or
- 21 rephrase it so they're more understandable.

- 1 Sometimes my questions are going to be very
- 2 foreseeable, you'll know what I'm going to be asking,
- 3 but I do ask that you wait until I get done. Because
- 4 we have a court rep**tition there** and he's taking down
- 5 everything I say, everything you say and it's just a
- 6 lot easier if only one of us is talking at a time.
- 7 A. Okay.
- Q. And the other thing would be if the answer is
- 9 yes or no and you nod, I probably know what you mean,
- 10 but he's going to do a transcript of what we say here
- 11 today, and it just, might not be clear three months.
- 12 from now. So answer out loud yes or a no. And like
- 13 I say, if you're not sure about where the question's
- 14 going, just tell me and I ll try to restate it. You
- 15 gave your address. How long have you been at that
- 16 address?
- 17 A. Two and a half years, three years.
- 18 Q. Okay. Are you married?
- 19 A. Separated living with my girlfriend.
- Q. What's your girlfriend's name?
- 21 A.

- 1 We call her Niki.
- MS. ZOIS: That makes things easy.
- 3 BY MR. SCHNEIDER:
- Q. Absolutely. And how long has she been your
- 5 girlfriend?
- 6 A. We have been together going on eight years.
- Q. And we were talking before the deposition
- 8 about children. Do you have children?
- 9 A. Yes.
- 10 Q. What are their ages?
- 11 A. My stepson's 14 -- I call him my stepson. My
- 12 son, he's just turned six, and my daughter's nine
- 13 months old.
- Q. And which of those children live with you?
- 15 A. All of them.
- Q. What's your stepson's name?
- 17 A.
- 18 Q. You indicated that you were separated. Have
- 19 you had one marriage or more than one marriage?
- 20 A. Just one.
- 21 Q. And you've been separated for more than that

Page 7 eight years I take it? 1 2 Α. Yeah. 3 Are you currently employed? Q. Α. Yes. Where do you work? Q. Α. 6 Q. What does It's an environmental company. 8 Α. 9 Q. And when you say environmental company, what 10 do they do? 11 Hazardous waste disposal, oil spills. Α. 12 Q. What is your role with the company? 13 Α. It's chemical technician. 14 As a chemical technician, what are your Q. 15 duties? 16 A. Basic clean up of oil spills and disposal. 17 Q. Do you get involved in the other -- you mentioned hazardous waste disposals. Other than oil 18 spills --19 A. No, we deal with all types of chemicals,

Corbin & Hook Reporting, Inc. (410) 268-6006 - 1-866-337-6778

acid, whatever comes up.

21

- 1 Q. And when you said we, would you -- you have
- 2 to do whatever comes up?
- A. Yeah.
- Q. What's involved in the basic clean up of,
- 5 say, an oil spill? When I say what's involved, I
- 6 mean what would your duties be, what do you have to
- 7 do?
- 8 A. My duties would be to contain the oil spill,
- 9 just throw down a boom which is --
- 10 Q. So you're talking about a spill on the water,
- 11 right?
- 12 A. It could be on the water or on land. Like we
- 13 had one at a gas station where all we had to do was
- 14 throw padding down and pick up the padding and just
- 15 pressure wash it down, and that was it, we were done.
- Q. How about if it's on the water or on a river?
- A. Well, if it's on the water, we'll go in a
- 18 boat -- if it requires a boat, and we'll throw the
- 19 sausage boom down.
- Q. Okay. Then does the sausage boom absorb the
- 21 oil or does it just contain it?

- 1 A. It pulls up the oil, leaves the water behind,
- 2 lets the water go through it.
- Q. And what do you do then with the sausage boom
- 4 then?
- 5 A. The sausage boom gets pulled in.
- 6 Q. And how's that done?
- 7 A. With -- they look like broomsticks with hooks
- 8 on it.
- 9 Q. But you have to manually do that or is it
- 10 winched in? I'm just wondering what your duties are.
- 11 A. They'll pull it in. Like our boat has the
- 12 winch, and just unhook it as pulls in.
- 13 Q. Okay. I'm really kind of looking to explore
- 14 what the physical nature of your job is. Do you
- 15 consider it a physical job or moderate or light duty?
- 16 A. No, it's light.
- 17 Q. Light duty?
- 18 A. It's light.
- 19 Q. When you say you have to -- sometimes you
- 20 have to throw down the padding, how much does the
- 21 padding way?

- 1 A. A pad?
- 2 Q. Yeah.
- 3 A. Not even a pound, not even 12 ounces. It's
- 4 like a quarter-inch thick piece of paper like a paper
- 5 towel.
- 6 Q. So you're just sopping it up?
- 7 A. Yeah.
- Q. So you don't -- it's not like big rolls of
- 9 this that you're dealing with?
- 10 A. No, they're just cut out pads probably
- 11 16-by-16.
- 12 Q. When you pick them up, where do you put them?
- 13 A. In trash bags or in drums.
- Q. Do you have to carry the trash bags?
- 15 A. Not me.
- 16 Q. Not you?
- 17 A. No, because when I got hired I was told -- I
- 18 told them about my limitations, so they work with me
- 19 on that.
- Q. What's the most you have to lift as far as
- 21 weight wise?

- 1 A. Probably 30 pounds, 40 pounds.
- Q. What's the kind of bulkiest type of item you
- 3 have to do, whether it's the 30 pounds or 40 pounds
- 4 or something else? Is there some odd shape that you
- 5 ever have to deal with?
- 6 A. No.
- Q. When were you hired at the whom, when
- 8 did you start there?
- 9 A. Early November, late October of this past
- 10 year, 2003.
- 11 Q. Who's your boss?
- 12 A.
- 13 Q. Does he have a title?
- 14 A. He runs the --
- MS. ZOIS: Boss.
- 16 A. Yeah, he's the boss, he runs the whole place.
- 17 BY MR. SCHNEIDER:
- 18 Q. Okay. Did you know him or did you have any
- 19 relationship with him before you went to apply for a
- 20 job there?
- 21 A. No. I knew his dispatcher there, and that's

- 1 how I got in there.
- Q. Okay. And he's the boss. Is he the owner
- 3 did you say?
- 4 A. No, he's not the owner.
- 5 Q. He's just --
- 6 A. He's just the head man in charge.
- 7 Q. Is he the one who actually hired you?
- 8 A. Yeah, he did the hiring.
- 9 Q. And you mentioned that you told him about
- 10 your limitations?
- 11 A. Yeah.
- 12 Q. When you applied there back in November or
- 13 October of 2003, what limitations did you tell him
- 14 you had?
- 15 A. No heavy lifting. What else. I think that
- 16 was it. No heavy lifting and nothing that's just
- 17 going to hurt my knee.
- 18 Q. And as far as -- are there any parts of the
- 19 job that most chemical technicians can handle that
- 20 you do not do?
- 21 A. The moving of the drums. If they have soil

- 1 filled drums, I won't touch them unless there's a
- 2 drum cart. Sometimes there's no drum carts. With a
- 3 drum cart you can just --
- 4 Q. It's on wheels?
- 5 A. Yeah, it's on wheels. It has two wheels down
- 6 at the bottom and then another two about halfway up,
- 7 and you just push it or pull and it's light.
- Q. When you say push -- you showed me, you kind
- 9 of tilted it over?
- 10 A. You tilt it down and it's laying on the other
- 11 back wheels, and you just give it a push.
- 12 Q. All right.
- 13 A. But if there's no drum carts I won't touch
- 14 it.
- Q. Okay. How do they typically if there's not a
- 16 drum cart move the barrels or the drums?
- A. Well, they'll grab them with their left or
- 18 right hand, whatever, and they'll break it back and
- 19 roll it.
- Q. Okay. I guess they're sealed at this point?
- 21 A. Yes.

- 1 Q. Where did you work before working at Clean
- 2 Venture?
- A. Before working at I had a
- 4 barber shop.
- 5 Q. Was it your shop?
- 6 A. It was mine and my partner's.
- 7 Q. What was his or her name?
- 8 A. His name was
- 9 Q. Does he still own the barber shop?
- 10 A. No, we shut it down. He had a master barber
- 11 license but he didn't cut hair.
- 12 Q. Okay. He liked being the owner?
- 13 A. Yeah, exactly.
- 14 Q. You were the laborer?
- 15 A. I was the worker.
- 16 Q. I see. When did that shut down?
- 17 A. Like a month after the accident because I
- 18 couldn't go to work. We just let the lease run out,
- 19 turned it in.
- Q. Had he been contemplating that at all before
- 21 the accident?

- 1 A. Who?
- Q. . I mean, had you talked about
- 3 shutting down the barber shop?
- 4 A. No. The barber shop was doing well, real
- 5 well.
- 6 Q. How long did you work there?
- 7 A. I had it for almost two years. I was two
- 8 months off of two years.
- 9 Q. And were you a partner with

- 10 A. Uh-huh.
- 11 Q. He had the master barber's license. Did you
- 12 have any training as a barber?
- 13 A. I went to barber school for about four months
- 14 and didn't agree with the teacher's way of teaching,
- 15 because I was already cutting hair before.
- 16 Q. Why don't I just run back through your
- 17 employment history, and then you can kind of explain
- 18 that to me. Before you were working in the barber
- 19 shop -- before I even get there, while you've been
- 20 working at have you been working
- 21 anywhere else, any other jobs?

- 1 A. No, just cutting hair out of my garage.
- Q. Okay. About how much -- how often do you do
- 3 that?
- 4 A. Probably about six times a week.
- Q. Okay. And when you do that, is that -- are
- 6 you doing it for one customer, several customers a
- 7 day?
- 8 A. No, usually one customer, one or two.
- 9 Q. But most days you end up cutting someone's
- 10 hair?
- 11 A. If it's feasible with my job schedule.
- 12 Q. What kind of hours do you work at
- 13
- 14 A. That's an issue because you're on call.
- 15 You're guaranteed to work over eight hours a day.
- Q. And on an average day -- or an average week?
- 17 A. Let's just say I'll do anywhere from usual 40
- 18 to about 55, 60 hours a week.
- 19 Q. And then you'll sometimes -- at least as long
- 20 as you're not kept at a spill, you come home and cut
- 21 someone's hair once or -- six days a week?

- 1 A. Yeah.
- Q. All right. Before that you were at the
- 3 barber shop. Other than working at the barber shop,
- 4 did you have any other employment?
- 5 A. No. Well, my girlfriend -- I had given her
- 6 money, she opened up a grocery store. So I used to
- 7 go in and out of the grocery store, help her out. As
- 8 a matter of fact, the day of the accident, I was
- 9 working the grocery store because barber shops are
- 10 closed on Mondays.
- 11 Q. Okay. Was that a form of employment? Were
- 12 you getting paid at all for working there?
- 13 A. No.
- 14 Q. Does she still own that grocery store?
- 15 A. No, we closed it down because after the
- 16 accident -- well, we didn't close it down, we sold
- 17 it. After the accident, her grandpa came down with
- 18 Alzheimer's and she had gotten pregnant, so we had no
- 19 way of taking care of the store.
- 20 Q. Had the grandfather been working there too?
- 21 A. No, her grandmother had been helping her out

- 1 with the store. So she had to stay home because of
- 2 her grandpa.
- 3 Q. And then your girlfriend was pregnant so she
- 4 needed more time away so you sold the store?
- 5 A. Yeah.
- 6 Q. But that wasn't related to this accident,
- 7 though, the selling of the store?
- 8 A. Somewhat.
- 9 Q. Somewhat?
- 10 A. Because I couldn't help out as much as I did.
- 11 Q. Well --
- 12 A. If there was nobody at the store, I'd run the
- 13 barber shop and the store.
- 14 Q. Were they right next to each other?
- 15 A. Yeah.
- 16 Q. And that would work I guess for as long as no
- 17 one was in the barber shop?
- 18 A. Uh-huh.
- 19 Q. Were these operations run under corporate
- 20 names or under your individual names?
- 21 A. Well, the store was called the

Page 19
tino

it did.
t had
money and

- 1 Common the grocery store. It was a Latino
- 2 specialty store. The barber shop was
- 3 (2)
- 4 Q. does that stand for something?
- 5 A. It does, but I don't remember what it did.
- 6 My partner, he had it named already, he just had
- 7 never opened the place up. I came in, put money and
- 8 then we opened up.
- Q. And then you were also doing the bulk or all
- 10 of the haircutting?
- 11 A. Yeah.
- 12 Q. What kind of hours did you work there?
- 13 A. Tuesday through Wednesday it was from 12:00
- 14 o'clock to 7:00 o'clock. Friday and Saturday --
- 15 Friday was from 12:00 o'clock until about 8:00 or
- 16 9:00 o'clock. And Saturday was 9:00 to 8:00. I
- opened up on Sundays from 10:00 to 1:00.
- 18 Q. And were you --
- 19 A. Mondays off.
- 20 Q. Mondays off?
- 21 A. Yeah.

٥.

- 1 Q. Did you say Thursdays? Did you work
- 2 Thursdays also?
- 3 A. Yeah. I said --
- Q. I might have missed it.
- A. Well, Thursday and Friday was until 8:00
- 6 o'clock.
- 7 Q. Okay. And then when you -- even though you
- 8 were working those type of hours, you sometimes would
- 9 either keep an eye on the grocery store or work there
- 10 on Mondays?
- 11 A. Yeah.
- 12 Q. Did you also work there after or before you
- 13 got started doing these hours? That was a horrible
- 14 question, excuse me. You mentioned that you worked
- on Thursdays and Fridays from 12:00 to 8:00. Maybe
- 16 before 12:00 did you ever work at the grocery store?
- 17 A. Yes.
- 18 Q. And did you ever work back in the grocery
- 19 store after this accident occurred?
- 20 A. After the accident, a couple times, because
- 21 it was sit down, cashier.

- 1 Q. So you could still do it even with the
- 2 limitations you had?
- 3 A. Yeah.
- Q. How about the barber shop, did you continue
- 5 to work there after the accident?
- 6 A. I tried to. I tried to and it was just too
- 7 much. And I even went to the extent of getting a
- 8 tall stool where I could sit down and cut, but the
- 9 dangling on my leg, I couldn't cut it.
- 10 Q. How long did you keep up with the work at the
- 11 barber shop after the accident before you had to
- 12 stop?
- 13 A. I tried for about probably a week and a half,
- 14 two weeks.
- 15 Q. Okay. Before going into the barber venture,
- 16 where were you working?
- 17 A. I'm trying to remember that one. I don't
- 18 remember.
- 19 Q. Well, how long did you work at the barber
- 20 shop did you say?
- 21 A. It was almost two years.

- 1 Q. So that would bring us back now to a total of
- 2 about four years, so we're going back to about 2000.
- 3 We can come a different way. Tell me about your
- 4 education. How far did you go in school?
- 5 A. 10th grade, acquired an GED.
- 6 Q. Went through 10th grade where?
- 7 A. Chelsea Vocational High School.
- Q. What year did you get out or did you stop
- 9 going?
- 10 A. I got kicked out of school.
- 11 Q. When was that?
- 12 A. In the 10th grade, the middle 10th grade.
- Q. I'm just saying year wise roughly. It
- 14 doesn't have to be exact.
- A. 10th grade you're probably, what, about 15?
- Q. Uh-huh.
- 17 A. I'm 28 now, so 13 years ago.
- 18 Q. So early '90s?
- 19 A. Yeah.
- Q. And then did you go to work after that?
- 21 A. I worked at a supermarket.

	Page 23
1	Q. For about how long?
2	A. About a year.
3	Q. How about after that?
4	A. Just doing odds and ends. I had a buddy of
5	mine that was an electrician, and he was trying to
6	teach me the ropes about electricians. He would
7	usually take me on his side jobs.
8	Q. Any other jobs like full-time jobs that you
9	had up until you started to work as a barber?
10	A. Yeah, I had the circumstance which
11	was here.
12	Q. When you say it was here, Glen Burnie?
13	A. Here in Maryland. I worked at
14	
15	Q. I understand there may have been some other
16	jobs?
17	A. Yeah.
18	Q. Did you work for more than a year or two at
19	any of those jobs, Research or Company
20	

Corbin & Hook Reporting, Inc. (410) 268-6006 - 1-866-337-6778

I was there a year.

21

- 1 Q. How about Reliable?
- 2 A. Reliable, I was there a couple months, about
- 3 four months.
- 4 Q. Okay. Were you doing sales at
- 5 A. Yes.
- 6 Q. And was many about the longest term
- 7 job that you had after leaving the supermarket, I
- 8 guess work up until you came to the barber shop?
- 9 A. No, because in New York I worked for
- 10 and I was there
- 11 about almost three years. And also in New York, West
- 12 Side Federation for Senior Housing.
- Q. What did you do there?
- 14 A. I was doing front recep. work, answering the
- 15 phones at the front desk and opening the door.
- 16 Q. And how long were you there at West Side?
- 17 A. About a year also.
- 18 Q. How long were you up in New York altogether?
- 19 Was that about four years or a little bit more than
- 20 that?
- 21 A. No, I was born and raised in New York. I

- 1 moved here, it's now about six years ago.
- Q. Okay. Other than the GED, did you have any
- 3 other education? You started to mention about the
- 4 barber school?
- 5 A. Yeah, the barber school.
- 6 Q. Was that here in Maryland?
- 7 A. Yeah.
- Q. And was that sometime -- were you already

9.6

- 9 working at the barber shop at that time?
- 10 A. No.
- 11 Q. Which barber school did you go to?
- 12 A. Well, now it's called the
- 13 Telement
- 14 Q. Is that
- 15 A. Yes. It was called
- 16 when I was there.
- Q. Let's turn and talk about the accident
- 18 itself.
- 19 A. Okay.
- Q. Do you remember -- well, you mentioned
- 21 earlier actually what you were already doing. You

Page 26 were working at the grocery store that day? 1 Α. Yeah. Tell me what the weather conditions were 3 Q. like? The ground was wet. It had snowed previously 5 about two weeks ago, so there was snow on the sides 6 of the road. It was a winter night. 8 ο. So it hadn't snowed that day? 9 No. Α. 10 0. There wasn't fresh snow on the ground? 11 Α. No. What time -- about what time did this 12 ο. accident occur? 13 I want to say at around 7:05, 7:10. 14 Q. In the evening? 15 16 Α. Yes. And what were you doing? 17 Q. 18 I was on my home. I was about two minutes away from home. 19 You were familiar with the route? 20

Corbin & Hook Reporting, Inc. (410) 268-6006 - 1-866-337-6778

21

Α.

Yeah.

- 1 Q. Describe the road right before where the
- 2 accident occurred, number of lanes?
- 3 A. Just one in, one out.
- Q. Okay. Divided by a double yellow line?
- 5 A. Yeah.
- 6 Q. Was that line still visible at --
- 7 A. Yes.
- Q. I mean, with the weather conditions at that
- 9 time?
- 10 A. Yes.
- 11 Q. Tell me what happened.
- 12 A. Well, I'm coming down into the -- well, it's
- 13 like I don't want to say a hill, but it's like a
- 14 little slope coming down, and it's a sloped curve and
- 15 then it comes back up. And when I'm coming down I
- 16 just see the truck coming towards me, and there was
- 17 nothing I can do.
- 18 Q. What road was it?
- 19 A. It's Point Pleasant in between Sunny Brook
- 20 and Genine.
- Q. Which direction were you traveling, towards

- 1 Sunny Brook or Genine?
- 2 A. I had passed Sunny Brook already, I was going
- 3 towards Genine.
- Q. So you've already come down the slope?
- 5 A. Yeah, I'm still coming down, almost bottom to
- 6 come back up.
- Q. And you indicate when you get to the bottom
- 8 that's when it starts to curve back up?
- 9 A. No, it's going down in a curve.
- 10 Q. All right. And you saw the truck coming
- 11 towards you. What happened?
- 12 A. Nothing much, I just held on.
- 13 Q. Okay. How fast were you traveling on that
- 14 evening?
- 15 A. About 15 to 20.
- 16 Q. What's the speed limit on that road?
- 17 A. Twenty-five.
- 18 Q. You were going under the speed limit
- 19 obviously. Was that for -- why were you traveling
- 20 slower than the speed limit?
- 21 A. It was for safety purposes because the ground

- 1 was wet.
- Q. What was the temperature that evening
- 3 roughly?
- A. February, probably about I had to mid 30s, I
- 5 don't know.
- 6 Q. Had you encountered any ice on the road?
- 7 A. No, I hadn't.
- Q. When you come out of the store, was there any
- 9 icy conditions on the parking lot or on the sidewalk
- 10 there?
- 11 A. No.
- 12 Q. So you're traveling 15 or 20 miles per hour.
- 13 Could you estimate the speed of the other vehicle
- 14 which was approaching you?
- 15 A. Well, when I saw her, it was a blink of an
- 16 eye thing. We just smashed.
- 17 Q. When you say it was a blink of an eye
- 18 thing --
- 19 A. I saw the lights and we hit. But when I saw
- 20 the lights, I grabbed onto the steering wheel as
- 21 tight as I could, because if I went to the right I

- 1 was going to go into trees. If I went to the left
- 2 and she avoided hitting me I probably would have hit
- 3 another car coming behind her or something.
- Q. Well, describe what her actions were. You
- 5 said you saw her coming towards you. Tell me, were
- 6 you still in your lane, was she still in her lane?
- 7 A. Yeah, I was in my lane and she was coming
- 8 over onto my lane.
- 9 Q. Okay. And then you -- you say there were
- 10 trees to your right?
- 11 A. Yeah.
- 12 Q. So she ends up -- there's an impact between
- 13 the vehicles?
- 14 A. Uh-huh.
- 15 Q. But you didn't have a great opportunity to
- 16 estimate her speed or see her beforehand?
- 17 A. No, I just seen the lights coming towards me.
- 18 Q. You didn't see her -- well, did you see her
- 19 and just not pay particular attention or did you just
- 20 not see her as she was coming down the other side of
- 21 the hill, the slope?

- 1 A. I didn't see her coming down, I seen her when
- 2 she was coming like into me. I was just minding my
- 3 business going home.
- Q. You saw her once she started to cross the
- 5 line?
- A. Yeah.
- 7 Q. And how far ahead of you was she at that
- 8 point?
- 9 A. Probably about 10, 15 feet.
- 10 Q. What part of the vehicles hit?
- 11 A. Front driver's side like halfway.
- 12 Q. Of both vehicles, front driver's side to
- 13 front driver's side?
- 14 A. Yeah.
- 15 Q. Do you have any pictures of your car?
- 16 A. I do, but I don't know if I have them here.
- 17 MS. ZOIS: You have them here.
- 18 A. Okay.
- 19 MR. SCHNEIDER: Off the record.
- 20 (Discussion off the record.)
- 21 BY MR. SCHNEIDER:

- 1 Q. You indicated the accident occurred head to
- 2 head. You've just shown me some of the photographs
- 3 of your vehicle?
- 4 A. Yes.
- 5 Q. The damage was -- it looks like there was
- 6 significant damage to the front end. Was there
- 7 damage to any other part of your vehicle other than
- 8 the -- that front end?
- 9 A. Well, all the windows blew out.
- 10 Q. When you say all the windows, does that
- 11 include the rear windows?
- 12 A. The rear window blew out and I believe the
- 13 rear driver's side window blew out. My driver's side
- 14 window blew out of course. I think I only had one
- 15 window that was good on the car.
- 16 Q. Now, did you sustain any injuries as a result
- 17 of this impact?
- 18 A. Yeah, on my knee. I had bruising on my chest
- 19 from my seat belt.
- Q. When you say knee, that's your right knee?
- 21 A. My right knee.

- 1 Q. Bruising on your?
- 2 A. On my chest from the seat belt.
- 3 Q. Okay. Anything else?
- 4 A. I had a little bit of lower back pain.
- 5 Q. Now, your attorney has kindly shown me some
- 6 photographs. I'll just -- do you want to mark any of
- 7 these?
- 8 MS. ZOIS: Sure, if you want to. I'm not
- 9 protective of my pictures. There is a picture of
- 10 the knee but not the scar.
- 11 BY MR. SCHNEIDER:
- 12 Q. This will be Exhibit 1.
- 13 (Deposition Exhibit 1 marked.)
- Q. First I'll show you what I've marked as
- 15 Exhibit 1. That's your right knee?
- 16 A. Yeah.
- 17 Q. And you indicated you injured your right
- 18 knee. What was the injury you were aware of right at
- 19 the accident scene?
- 20 A. Just the scarring and that it hurt.
- Q. You knew that it hurt. You say scarring,

- there wasn't necessarily a scar from this accident
- 2 yet, you had cuts?
- 3 A. The cuts, yeah.
- Q. Had your knee hit the dashboard?
- 5 A. Yeah.
- 6 Q. You've indicated you had some other bruising
- 7 including the chest bruise. This photograph, I'll
- 8 mark it as Exhibit No. 2.
- 9 (Deposition Exhibit 2 marked.)
- 10 Q. This shows your left knee. What injuries did
- 11 you have to your left knee?
- 12 A. Just those scratches.
- 13 Q. Did they give you any continuing problem
- 14 after the scratches healed?
- 15 A. No.
- 16 Q. Other than the seat belt bruise, did you have
- 17 any other chest bruising?
- 18 A. No.
- 19 Q. Any other injury to your chest, side?
- 20 A. Not that I recall, because this was like --
- 21 the seat belt -- the bruise was from like hear

- 1 (indicating) to hear (indicating). I guess from the
- 2 bottom of my ribs to --
- 3 Q. Up above your left breast?
- 4 A. Yes.
- 5 Q. I'll mark this as Exhibit 3.
- 6 (Deposition Exhibit 3 marked.)
- 7 Q. I'll ask if this helps demonstrate some of
- 8 those injuries?
- 9 A. It was worse. It was up here.
- 10 Q. Exhibit 3 shows a bruise on the right
- 11 ribcage. But you're saying that's not the extent of
- 12 the bruising that you had?
- 13 A. No.
- Q. Do you remember when these pictures were
- 15 taken?
- 16 A. These pictures were taken at home probably
- 17 about two weeks after.
- 18 Q. Okay. So some of the bruising had healed?
- 19 A. Yeah.
- Q. Your attorney has also provided me with
- 21 copies of the photographs of the vehicles. I'll just

- 1 mark one as Exhibit No. 4.
- 2 (Deposition Exhibit 4 marked.)
- Q. I'll ask if this accurately shows what your
- 4 vehicle looked like after the accident on a front
- 5 view?
- A. Definitely.
- 7 Q. Okay. Was there -- and you've mentioned
- 8 about the windows were damaged also. Any other
- 9 damage that you recall?
- 10 A. Well, the frame had buckled underneath the
- 11 rear seat.
- Q. That's something that the photographs don't
- 13 really show?
- 14 A. You can see it in the picture, if that
- 15 picture's even there.
- Q. Is this the picture you're referring to?
- 17 A. Yeah.
- 18 Q. Let me mark it first.
- 19 (Deposition Exhibit 5 marked.)
- Q. Exhibit 5, this is a picture of the inside of
- 21 your vehicle taken from the back I guess, right?

- 1 A. See this here is twisted up.
- Q. And when you're saying this here is twisted
- 3 up, you're indicating the area right next to the seat
- 4 directly behind the driver's seat?
- 5 A. Yes. The passenger side seat wouldn't come
- 6 back up.
- 7 Q. The passenger side seat in the rear would not
- 8 come back up?
- 9 A. Because of the buckle.
- 10 Q. Was that passenger side seat down prior to
- 11 the impact?
- 12 A. No.
- 13 Q. That was knocked down by the impact?
- 14 A. Yeah.
- 15 Q. Let me take a quick look and see what the
- 16 others show. I have a photograph which indicates a
- 17 bruise on the left arm. Was that related to this
- 18 accident?
- 19 A. Yes.
- Q. And there's another one that shows kind of an
- 21 indentation of the inside of the elbow. Was there a

- 1 bruise there also?
- 2 A. Yes.
- 3 0. And did those bruises heal?
- 4 A. Yes.
- Q. What happened to the vehicles after the
- 6 impact occurred?
- 7 A. Well, after the impact, somebody asked me if
- 8 I needed help or anything, if I need to call anybody.
- 9 I don't know who it was. But I called my wife and
- 10 she came down to -- well, not my wife, you know, my
- 11 girlfriend. She came down to the accident. When the
- 12 tow trucks showed up, I had her tell the tow truck to
- 13 take it to the house.
- Q. Before we even get there, let's talk about
- 15 right after the accident. What happened to you in
- 16 the vehicle?
- 17 A. Oh, I thought you was talking about moving of
- 18 the vehicles.
- 19 Q. Oh, I'm sorry.
- 20 A. The ambulance showed up, police.
- Q. The accident happened. Did you hit your

- 1 head?
- 2 A. Yeah.
- Q. You just showed me a photograph, I'll mark
- 4 this as Exhibit No. 6.
- 5 (Deposition Exhibit 6 marked.)
- 6 Q. That shows a bruise on the left side, left
- 7 top portion of your head; is that correct?
- 8 A. I believe so, yeah. Yes.
- 9 Q. And that's the port part of your head that
- 10 hit some portion of the vehicle?
- 11 A. Yes.
- 12 Q. Did you lose consciousness at all?
- 13 A. I don't know. As far as I know, I don't
- 14 think so.
- 15 Q. Who was the first person who came up to you
- 16 afterwards?
- 17 A. The girl driving the vehicle.
- 18 Q. What did the two of you say to each other?
- 19 A. Well, she was scared. She was panicky, "Are
- 20 you okay? Are you okay? Oh my God, I'm sorry. I'm
- 21 sorry."

- 1 Q. What did you tell her?
- A. Just call an ambulance.
- Q. And what were you feeling as you were sitting
- 4 in the car right there? Were you in pain at that
- 5 time?
- 6 A. I was having trouble breathing. I didn't
- 7 notice anything to my knee until she saw part of the
- 8 dashboard hanging from my knee and she freaked out.
- 9 Q. What did she do then? Did she help you --
- 10 you said a portion of the dashboard?
- 11 A. She was scared. She was like, "Oh my God, oh
- 12 my God, " and she ran out of the car.
- 13 Q. Did she help you remove that portion of the
- 14 dashboard?
- 15 A. No, because when she saw it I saw it and I
- 16 took it out.
- 17 Q. Do you know what that was or what that piece
- 18 was?
- 19 A. Just a piece of plastic from the dashboard.
- 20 I don't know exactly what piece it was.
- Q. Okay. Did anyone else come on the scene?

- 1 A. Just --
- Q. Any witnesses come up and say they saw what
- 3 happened?
- 4 A. No.
- Q. Ultimately did anyone else come?
- 6 A. Well, yeah. There was a house up right there
- 7 on the hill right there. People from the house came
- 8 down. There was another driver that he's the one
- 9 that asked me if I needed to use the phone or
- 10 anything. That's when I got in touch with my
- 11 girlfriend, and she came down to the site. The
- 12 ambulance got there, the police.
- Q. And that driver, did he leave his name? Do
- 14 you know who that was?
- 15 A. No.
- Q. Did he say he saw it or he just came on the
- 17 scene afterwards?
- 18 A. No, he came on afterward. I guess he drives
- 19 that road to go home.
- Q. Okay. So the police were called and an
- 21 ambulance is called. Did you leave the scene by

1 ambulanc	ce?
------------	-----

- A. Yes.
- Q. Now we're getting to the point where what
- 4 happened to the actual vehicles. When they hit, were
- 5 they still together, did they spin off, were they in
- 6 different directions?
- 7 A. They were still together.
- Q. Did the driver of the other vehicle appear to
- 9 be injured in any way?
- 10 A. No.
- Q. You were taken by ambulance to which
- 12 hospital?
- A. I think Maryland University, I don't
- 14 remember.
- 15 Q. University of Maryland?
- 16 A. I think so, shock trauma.
- Q. And what did they do for you there?
- 18 A. They were checking me out, did X-rays. I
- 19 think they did a CAT scan, I'm not sure. Morphine,
- 20 because my leg started throbbing so they were giving
- 21 me morphine through an IV. They stitched me.

1	Q. Stitched up your knee?
2	A. Yeah, stitched up my knee. And around 2:00,
3	3:00 o'clock in the morning, I don't remember, that's
4	more or less when they sent me home.
5	Q. Tell me about your when you left the
6	hospital, were you still having pain complaints?
7	A. Oh, yeah.
8	Q. Same parts of the body you told me about?
9	A. Yes.
10	Q. Neck, chest I'm sorry, you didn't mention
11	neck. You said chest, low back, knee?
12	A. Yeah.
13	Q. And then we talked about the other areas that
14	were bruised?
15	A. Yeah.
16	Q. Any other areas of the body?
17	A. I don't remember.
18	Q. Tell me about how you felt over the course of
19	the next couple of days?
20	A. Like trash. I was like
21	Q. Did you go to seek any additional medical

Page 44 1 treatment? 2 I don't recall. Α. 3 Well, at some point you went to another doctor, right? 4 5 After the accident, a couple days Yeah. later I called up 📹 7 I'm sorry, who? 8 9 Did you have any other doctors who you had 10 been seeing in the time since you had been down 11 here -- first, did you have a family doctor, somebody 12 13 who treated you? 14 No, I don't have a family doctor. Α. I'm talking about at the time of this 15 accident, did you have a family doctor? 16 17 Α. No. 18 Did you have other doctors who you had Q. treated with before this accident? 19 20 Α, For? Q. Well, for anything since you had been in 21

<pre>1 Maryland?</pre>
------------------------

- 2 A. I've seen doctors for prior -- the prior knee
- 3 accidents.
- Q. We haven't talked about that. You indicate
- 5 you had a prior injury to your same knee, correct?
- 6 A. Yeah.
- Q. How did that injury originally occur, the
- 8 original injury to your knee, and when was it?
- 9 . A. It was in '98, another car accident.
- 10 Q. Was that up in New York?
- 11 A. Yeah.
- Q. What happened? What kind of treatment did
- 13 you get after the accident?
- 14 A. I had therapy, then they gave me arthroscopic
- 15 surgery.
- Q. Started with the therapy and then went to
- 17 surgery?
- 18 A. Yeah, and then therapy afterwards.
- Q. Do you remember what they did, what the
- 20 arthroscopic surgery was?
- A. I think they -- they cleaned up my meniscus

- 1 or something like that, it had debris in there or
- 2 something.
- Q. And did you ever completely recover or did
- 4 you feel that you completely recovered from that knee
- 5 injury in 1998?
- 6 A. I felt okay.
- 7 Q. You felt okay?
- 8 A. Yeah.
- Q. Did you still have some symptoms occasionally
- 10 with the knee?
- 11 A. A little bit. Nothing -- it's like normal
- 12 stuff when you're walking around and you walk around
- 13 too much, you know, you get a little bit of pain.
- Q. About how long did the therapy last after
- 15 that -- after the surgery?
- 16 A. I'm not sure. I don't remember.
- Q. Where was the surgery done?
- 18 A. Saint Barnabas Hospital. That's in the
- 19 Bronx.
- Q. How about the surgery, do you remember where
- 21 that was done -- I'm sorry, not the surgery, the

- 1 physical therapy?
- A. I don't remember the name of the place. I
- 3 know it was in the Bronx, that's all I remember.
- Q. How about your doctor who treated you for the
- 5 knee after the accident?
- 6 A. I don't remember also.
- Q. Did a claim -- injury claim result from that
- 8 accident?
- 9 A. Yeah.
- Q. Do you remember the name of your attorney? I
- 11 ask this because he might know the name of the
- 12 doctor.
- A. I don't know, but I have his business card at
- 14 home.
- Q. If you could get that and give it to your
- 16 attorney.
- 17 A. Okay.
- 18 MS. ZOIS: The New York attorney, right?
- 19 A. Yes.
- 20 BY MR. SCHNEIDER:
- Q. Did you continue to get treatment for that

- 1 knee for the remainder of the time that you were in
- 2 New York?
- 3 A. No.
- Q. At some point in stopped?
- 5 A. Yes.
- Q. When you came down to Maryland, did you have
- 7 any additional problems with that right knee?
- 8 A. I had a slip and fall when I was working with
- 9
- Q. When you had that slip and fall, was that
- 11 because of some ongoing problem with the knee? Did
- 12 that cause it to give way or give out?
- 13 A. No.
- Q. It was just a completely separate slip and
- 15 fall?
- 16 A. Yeah. I was on top of a piece of machinery
- 17 changing a light bulb and I fell. Then my knee
- 18 buckled and stuff when I fell.
- Q. When you say you fell, you fell but landed on
- 20 your feet?
- A. I landed like on my side, hit the knee.

- Q. About how far did you fall?
- A. About eight to ten feet.
- Q. Your knee buckled. That was at a jobsite?
- A. No, that was in one of the warehouses.
- Q. All right. And then what treatment did you
- 6 get for that knee after the slip and fall?
- 7 A. I had an X-ray, MRI, and the doctor decided
- 8 that I was going to need surgery.
- 9 . Q. Okay. Do you remember what surgery -- what
- 10 type of surgery they did? First of all, did they do
- 11 it open or did they do it arthroscopic?
- 12 A. Open.
- Q. And do you remember what the procedure was,
- 14 what they were trying to fix?
- 15 A. They took a piece I think of the front of the
- 16 patella tendon, took a piece of that and put it
- 17 inside of the anterior cruciate ligament.
- Q. So kind of an anterior cruciate ligament
- 19 reconstruction?
- 20 A. Yeah.
- MS. ZOIS: I like to just call it ACL.

- 1 A. ACL, all right. It's simpler.
- 2 BY MR. SCHNEIDER:
- Q. Who did that surgery for you?
- 4 A. Dr. Brouillet.
- Q. Had you ever treated with Dr. Brouillet
- 6 before that surgery?
- 7 A. No.
- Q. Well, before the accident. Did the surgery
- 9 improve the condition?
- 10 A. It helped but it didn't -- it wasn't a full
- 11 improvement. He had to go back in and tighten it up
- 12 a little bit more arthroscopically.
- 13 Q. So there was a second surgery?
- 14 A. Yeah.
- Q. After the arthroscopic surgery, did the
- 16 condition improve?
- 17 A. Yeah.
- Q. Did it return to its pre slip and fall
- 19 condition?
- A. Not 100 percent better, but I was able to
- 21 return to somewhat normal activities.

١			Page 51
	1	Q.	
	2	Α.	No.
	3	Q.	Why did you not return to ?
	4	Α.	They let me go.
	5	Q.	How long were you off work?
	6	Α.	I don't even remember.
	7	Q.	Okay. What type of was it the type of
	8	thing a	after you had that second arthroscopic it's
	9	really	your third surgery now, right?
	10	Α.	Yeah.
	11	Q.	You had one in New York, then you had the
	12	open su	rgery then you had the second arthroscopic
	13	surgery	'?
	14	Α.	Yeah.
	15	Q.	Were you always aware of the knee?
	16	Α.	What do you mean?
	17	Q.	You just wouldn't do things that you thought
	18	might c	ause is to buckle or injure?
	19	Α.	Yeah.
:	20	Q.	You would always take it easy on the knee?
2	21	Α.	Uh-huh.

- 1 MS. ZOIS: Yes?
- 2 A. Yes.
- 3 BY MR. SCHNEIDER:
- Q. Did you play any -- I know I have the dates
- 5 here and I can dig them out. But do you remember
- 6 roughly when that second surgery was, what year?
- 7 2000?
- 8 A. I don't know.
- 9 Q. Roughly 2000?
- 10 A. I don't know.
- 11 Q. Okay. After the second surgery, did you
- 12 participate in any sports?
- A. After I felt I could. Not like right after,
- 14 probably about a year afterwards I tried to play
- 15 baseball and stuff with my son and I was getting back
- 16 to it.
- Q. That's with your currently 14 year old son?
- 18 A. Yes.
- 19 Q. So he would have been about 11 at that time?
- 20 A. Yeah.
- Q. And when you say you tried to play baseball,

- 1 did you catch with him?
- 2 A. Yeah.
- 3 Q. Would you hit the ball to him?
- 4 A. Hit the ball. Not no heavy running around,
- 5 but jog a little bit. I wasn't going to overexert
- 6 it.
- Q. Right. You weren't running the bases to try
- 8 to leg out an inside the park home run or anything
- 9 like that?
- 10 A. No.
- Q. Any other sports you participated in as an
- 12 adult? I'm not talking with your son, but I mean
- 13 played basketball, at the pool or bowling or anything
- 14 like that?
- A. No, I'd just probably swim or whatever.
- Q. Were you a member of a pool?
- 17 A. No, I have a pool.
- 18 Q. Did you swim laps?
- 19 A. No, just recreational.
- Q. I understand. And was it during the time of
- 21 your rehabilitation from the knee that you went to

- barber school?
- 2 A. Yeah.
- Q. Did you have any other jobs after leaving
- 4 before you went --
- 5 A. I was out of work for a while. I was doing
- 6 odds and ends doing whatever I could do to bring some
- 7 money to the house.
- Q. When you say doing odds and ends, was it
- 9 electrical work?
- 10 A. I do electrical, I do painting, plastering.
- 11 Q. But that would just be on an as needed or as
- 12 found job basis?
- A. Yeah.
- Q. Have you continued to do those types of side
- 15 jobs since -- did you continue to do those side jobs
- 16 once you went into the partnership in the barber
- 17 shop?
- 18 A. No, I had no time.
- Q. Have you returned to doing them now that
- 20 you're not in the barber shop?
- A. I still have no time. I barely have time to

- 1 play with the kids.
- Q. I went through the medical records which you
- 3 kindly provided. After that initial surgery with
- 4 Dr. Brouillet -- let me change the question. After
- 5 the surgery with Dr. Brouillet which was actually
- 6 your second surgery, did you also get physical
- 7 therapy?
- 8 A. Yes.
- Q. And your recovery you indicated was -- it
- 10 improved but it was never back to the pre slip and
- 11 fall condition, correct?
- 12 A. How was that?
- Q. It never got back to the condition it was in
- 14 before you had that slip and fall on the job, it was
- 15 always still at least some degree worse than it was
- 16 before you slipped and fell while working at
- 17
- 18 A. I always had some dull pain once in a while.
- 19 I was walking fine, stability, I was good.
- Q. That's after the surgeries -- the two
- 21 surgeries?

- A. Yeah.
- Q. It got so you could walk, you felt pain if
- 3 you did long walking?
- A. Yeah, or on it too long.
- Q. Okay. Was there anything that -- and this is
- 6 after the surgeries, your knee just prevented you
- 7 from doing? You mentioned that you would keep an eye
- 8 on it and kind of take it easy on the knee. But is
- 9 there anything that it prevented you from doing
- 10 completely?
- 11 A. Not really.
- Q. And at the time of that accident at Reliable,
- 13 did you have a personal medical doctor at that time?
- 14 A. No.
- Q. I saw some records from Concentral, was that
- 16 the employer's doctors?
- 17 A. Yeah.
- 18 Q. So you would have only seen them -- did you
- 19 only see them for on the job?
- 20 A. During on the job stuff. And Concentral was
- 21 through them. I think they had a therapy center

- 1 which I went to.
- Q. And so you went to therapy after the surgery?
- 3 A. Yeah.
- Q. And they sent you to therapy. Did they tell
- 5 you the reason why you were going to therapy back
- 6 then after those surgeries?
- 7 A. It was to strengthen the surgery.
- Q. Strengthen the surgery site, the muscles
- 9 around that?
- 10 A. Yes.
- 11 Q. And did you follow their advice with regard
- 12 to the physical therapy?
- A. Yeah.
- Q. Do you remember if you were on medications
- 15 back then also?
- 16 A. They probably had me on medications, but
- 17 unless I have a really, really bad pain I don't take
- 18 it. I don't like medications.
- 19 Q. Dr. Brouillet did that surgery at Kernan
- 20 Hospital; is that correct?
- 21 A. Yes.

Page 58

Q. The records indicated that the open surgery

- 2 was on November 24, 1999. Does that sound about
- 3 right?
- 4 A. The what?
- Q. The open knee surgery was in November of
- 6 1999?
- 7 A. I think so.
- Q. And then the arthroscopic followed about a
- 9 year later. Does that sound right?
- 10 A. I think so. I don't know exact dates.
- 11 Q. I understand, and I'm not going to hold you
- 12 to an exact date. But it was roughly around a year
- 13 apart, you were still having problems a year after
- 14 Dr. Brouillet's surgery?
- 15 A. Yeah.
- 16 Q. You had a second surgery with him. How long
- 17 did you continue to see Dr. Brouillet after that?
- 18 A. I don't recall.
- Q. Now, that accident occurred while you were on
- 20 the job. Did you make a workers' compensation claim
- 21 as a result of that?

1	A. Yeah. Page 59
2	Q. Did that claim actually go to a hearing or
3	was the claim settled?
4	A. It was settled.
5	Q. I have a copy of the record from Dr. Macht
6	dated June 4, 2001. That one indicated you had a 65
7	percent permanent partial disability of your right
8	knee. Did your employer send you to a
9	different doctor to get an evaluation?
10	A. I don't recall.
11	Q. Do you remember if there was a percentage
12	that was agreed to for your disability of your knee?
13	A. I don't remember.
14	Q. Do you remember the amount of the settlement?
15	A. It was
16	MS. ZOIS: I'm just going to object to the
17	comp claim questions. But for the record, you
L8	can answer them all, but I'm just going to object
L 9	for the record. Go ahead.
20	A. It was 14. Basically if I'm not mistaken, I

think it was like lost wages, pain and suffering.

don't remember.

- 2 BY MR. SCHNEIDER:
- Q. Okay. Did they pay that in a lump or did
- 4 they pay that over time?
- A. They paid that over time. They gave me I
- 6 think it was like a \$4,000 check or \$5,000 check,
- 7 then the rest was --
- 8 Q. Every two weeks? . . . .
- 9 A. Every two weeks, yeah.
- 10 Q. All right. From the time that you indicated
- 11 you were back to work as a barber and working part
- 12 time in the grocery store, if we say you stopped --
- 13 tell me, did you stop within a month after the
- 14 accident, stop working as a barber?
- 15 A. Huh?
- Q. I'm sorry. There was another accident
- 17 involving my client, back in February
- 18 of 2003. Did you continue to work as a barber for a
- 19 couple weeks after that?
- A. Well, after the accident I shut down the shop
- 21 for about two weeks, then I tried to go back. I

- 1 could only work about an hour or two, it was too
- 2 much. It was too much on me. And I stayed there for
- 3 about another two weeks, and I spoke to my landlord,
- 4 told him I was going to cut off the lease. I just
- 5 had a couple buddies of mine put my stuff in storage.
- Q. So that's now March or April of 2003. Did
- 7 you have no other job between then and when you went
- 8 to work for the environmental company in November?
- 9 A. No.
- Q. So that was about eight or nine months --
- 11 eight months with no employment?
- 12 A. Yeah.
- Q. Tell me about -- you discussed your prior
- 14 injury. Tell me about the course of treatment you
- 15 had for this injury after the accident in February of
- 16 2003.
- 17 A. Okay. After the accident, I spoke to
- 18 He put me in
- 19 through Dr. Shepherd. Dr. Shepherd checked me out,
- 20 and I started receiving therapy right after.
- Q. Why did you not go back to Dr. Brouillet?

- A. Because I had no insurance and he wouldn't
- 2 take care of me.
- Q. Well, did you ask him if that was the case?
- A. Yeah, I did. I spoke to him.
- Q. So you went and talked to -- you started
- 6 seeing Dr. Shepherd. What did Dr. Shepherd do for
- 7 you as far as therapy?
- 8 A. He put me in the therapy program.
- 9 Q. Was this for your knee?
- 10 A. Yeah.
- Q. Any other parts of your body?
- 12 A. The first two weeks I was in therapy they put
- 13 me like through -- I had a little bit of back pain,
- 14 electrical stimulation and heat pads.
- Q. Did the low back pain resolve within a couple
- 16 weeks or a month?
- 17 A. Yeah.
- 18 Q. Any, other parts of your body other than the
- 19 knee that were continuing to give you problems more
- 20 than a month after the accident?
- 21 A. No.

- Q. But the knee did continue to give you
- 2 problems?
- 3 A. Yeah.
- Q. Did you continue to get physical therapy to
- 5 the knee for some time?
- A. Yeah, until right about a week before
- 7 surgery.
- Q. I think the surgery was in May of 2003, does
- 9 that sound right?
- 10 A. I think so.
- 11 Q. The knee, was it improved at all with the
- 12 therapy or did the therapy just not help?
- A. No, it wasn't doing much. Basically what the
- 14 doctor said, that they were going to do the therapy
- 15 to strengthen the knee for surgery. This way I'd
- 16 have supposedly a quicker recovery.
- 17 Q. Okay. So you got a second opinion about the
- 18 surgery from Dr. O'Hearn?
- 19 A. Dr. O'Hearn and Dr. Shepherd were supposed to
- 20 be working together.
- Q. So it wasn't -- was it --

- A. Well, it's separate offices. Yeah, he sent
- 2 me to Dr. O'Hearn to have him check it out also.
- Q. Okay. But it was Dr. Shepherd who actually
- 4 sent you to Dr. O'Hearn?
- 5 A. Yeah.
- Q. You hadn't treated with Dr. O'Hearn for
- 7 anything else before this?
- 8 A. No.
- 9 Q. Okay. They did the surgery in May of 2003.
- 10 Tell me about your recovery after that surgery.
- 11 A. I went back to the therapy center. They did
- 12 therapy, then like a month later after the scarring
- 13 healed they put me in aquatic therapy.
- Q. When you say scarring, you mean the scabs
- 15 from the surgery?
- 16 A. Yeah. After all that healed up, they put me
- in aquatic therapy which is the pool.
- 18 Q. Right.
- 19 A. And they help you do exercise and stuff
- 20 inside the pool.
- Q. Okay. As you sit here today, do you have any

- 1 symptoms in your knee?
- A. No, there's no slippage, nothing like
- 3 stability wise. I feel okay. But I just -- I get
- 4 pain.
- Q. About how often do you get pain?
- 6 A. It depends on activity. I would say probably
- 7 about four or five times a week. It depends how long
- 8 I'm on it.
- 9 Q. Okay. What type of activity causes the pain?
- 10 A. Well, just being on it all day or walking.
- 11 Like if I go to the mall or something, a couple hours
- 12 of driving a stick shift vehicle.
- Q. Do you have a stick shift vehicle?
- 14 A. Not anymore. My wife's -- my girlfriend's
- 15 brother, he has a stick shift vehicle. Sometimes he
- 16 needs to use mine because mine has more space and
- 17 I'll use his to go to work.
- 18 Q. Well, if you do that, though, you're not
- 19 several hours behind the wheel?
- A. Not several hours, but the clutch and stuff.
- Q. Are there any other specific activities?

- 1 You've mentioned being on it and then driving a stick
- 2 shift can cause pain. Anything else that you do
- 3 specifically that causes pain?
- 4 A. I can't think of anything right now.
- Q. Okay. And I think the answers to
- 6 interrogatories mentioned part of your job is
- 7 shoveling?
- 8 A. Yes.
- 9 Q. When you're doing shoveling, does that cause
- 10 problems with your knee either while you're working
- 11 or later?
- 12 A. What I do when I'm shoveling now is instead
- 13 of using my right leg -- you know, when you shovel
- 14 you've got to kick the shovel in to be able to pull
- 15 the dirt out.
- 16 Q. This is when you're digging like contaminated
- 17 soil or something like that?
- 18 A. Yeah. So what I do is kick with my left
- 19 instead of kicking with my right.
- Q. So you rest on the right and you do the work
- 21 with the left?

- 1 A. Yes.
- Q. How often do you have to do digging as part
- 3 of your job?
- 4 A. Not often. Probably out of a month probably
- 5 twice.
- 6 Q. Okay. Obviously that's only on land spills
- 7 or something like that?
- 8 A. Yeah. We don't have many water spills
- 9 either.
- 10 Q. Right. So you indicated your knee feels okay
- 11 stability wise, but you get pain four or five times a
- 12 week?
- 13 A. Yeah.
- Q. What do you do for the pain?
- 15 A. Aspercreme or Flexall.
- Q. And those are both over the counter, right?
- 17 A. Yeah.
- 18 Q. Do you do that at night when you get home or
- 19 do you do it on the job? How often do you have to
- 20 apply that?
- 21 A. I'll carry a tube of Flexall with me every

- 1 once in a while. Sometimes in the morning I'll wake
- 2 up and I'll have that pain, so I know I have to carry
- 3 it with me.
- Q. Is there anything that your knee condition
- 5 prevents you from doing today that you could do back
- 6 before February of 2003?
- 7 A. Well, I was running around riding a bike and
- 8 stuff. I'm not doing that anymore. I might jump on
- 9 a motorcycle every now and then, but I'm not pedaling
- 10 a bike or anything anymore.
- 11 Q. How often were you riding a bike back in
- 12 February of 2003 before this occurred?
- 13 A. I went out whenever my stepson wanted to go
- 14 out probably about once a week.
- 15 Q. Did you have your own bike?
- 16 A. Yeah.
- 17 Q. Do you still have it?
- 18 A. No.
- 19 Q. And when would you ride with him?
- 20 A. Probably on the weekend for about an hour or
- 21 whatever.

- 1 Q. Anything else that you can't do today -- I
- 2 don't even remember if I asked that question, but I
- 3 will now. Is that something you can't do today that
- 4 you could do before?
- 5 A. Ride a bike?
- 6 Q. Right.
- 7 A. No, I can't do it now.
- Q. Okay. And has a doctor told you not to do
- 9 it?
- 10 A. Not that I can't do it, just I don't want to
- 11 do anything that might aggravate my knee. I probably
- 12 can, but I don't want to do it because it's just the
- 13 fear of getting hurt again I guess.
- 14 Q. And when did you start riding a bike after
- 15 your prior surgery in, say -- which was I guess
- 16 November of 2000?
- 17 A. Probably about a year, year and a half
- 18 afterwards.
- 19 Q. So then for -- you could ride a bike for
- 20 about a year and a half?
- 21 A. After.

Page 70 1 After that up until this next accident 2 occurred? 3 Yeah. A. And had you had the bike -- when did you buy Q. the bike? 5 6 I've always had a bike. 7 So this is a bike you had even before the other accidents? 9 A. Uh-huh. 10 And the other surgeries, okay. Anything else that you cannot do today which you could do in 11 January of 2003 before this accident occurred? 12 A. I feel awkward. 13 14 MS. ZOIS: Are we in for something good here? Well, sexually it's a bother. 15 BY MR. SCHNEIDER: 16 17 Q. Okay. 18 Α. Different positions. 19 MS. ZOIS: That's no laughing matter, 20

It's embarrassing, though.

- 1 BY MR. SCHNEIDER:
- Q. To bring you back. Things you can't do at
- 3 all today? We can move --
- A. Well, we're still doing that, but it's just
- 5 some things are different. Biking, sports.
- Q. When you say sports, what sports were you
- 7 playing?
- 8 A. Just like throwing around a baseball,
- 9 probably jogging a little bit with the kids.
- 10 Q. Well, could you throw around a baseball
- 11 today?
- 12 A. Huh?
- Q. I mean, do you throw around a baseball today?
- 14 A. No.
- 15 Q. Not at all?
- 16 A. No.
- 17 Q. Does your son play baseball?
- 18 A. Yes.
- 19 Q. Does he play on an organized team?
- 20 A. He played this year for -- what was the team,
- 21 I think

- Q. Like a rec. counsel team?
- A. Yeah. Now he's playing for the Rebels for
- 3 football.
- Q. Okay. But you weren't on any teams or doing
- 5 anything of your own at that time?
- 6 A. No, just tossing around with the kids, you
- 7 know.
- Q. How long did you continue to have pain -- and
- 9 I understand we're talking about the different kind
- 10 of pain that you experience now when you overdo it
- 11 after the surgery. How long did you have some pain
- 12 symptoms before they would basically resolve?
- 13 MS. ZOIS: I'm going to object. I'm
- 14 confused.
- 15 BY MR. SCHNEIDER:
- 16 Q. Yeah, that is confusing. As you're sitting
- 17 here today, do you have any pain in your right knee?
- 18 A. A little bit.
- 19 Q. Okay. Did you before I started asking you
- 20 questions?
- 21 A. No. I mean -- he's trying to confuse me.

	Page 73
1	And the second s
2	BY MR. SCHNEIDER:
3	Q. No. Did there come a time after your surgery
4	when you you could sit there and say, "Hey, I
5	don't have pain in my knee"?
6	A. Yeah.
7	Q. How long after surgery did it take for that
8	to occur?
9	A. You just messed me up.
10	Q. This is the surgery with Dr. Shepherd and
11	Dr. O'Hearn.
12	A. I still haven't been able to say I can
13	actually sit down and have no pain.
14	Q. Typically you do have some pain?
15	A. Yeah.
16	Q. There wasn't a time where you just felt like
17	okay, I'm better?

- 18 A. No, I'm not completely good yet, no.
- 19 Q. Has either Dr. Shepherd or Dr. O'Hearn given
- 20 you any restrictions on your current activities?
- 21 A. They told me light duty.

- 1 Q. Okay. The last medical record I have from
- 2 either of them was from September of 2003. Have you
- 3 seen either of them since then?
- A. I'm supposed to go see Dr. O'Hearn for a one
- 5 year checkup after surgery.
- 6 Q. And that's currently scheduled?
- 7 A. No, I have to call up the office and schedule
- 8 it.
- Q. Do you remember seeing anyone else in the
- 10 last, say, seven or eight months after September of
- 11 2003?
- 12 A. No, I don't.
- Q. Other than the Aspercreme or Flexall, have
- 14 you taken any medications since -- in the last eight
- 15 months for this knee?
- 16 A. After surgery?
- Q. No, I'm sorry, because the surgery was back
- 18 in May. So I'm just saying it looks like you went to
- 19 physical therapy for four or five months. You
- 20 were -- if not discharged by Dr. Shepherd, he told
- 21 you come back in three months and I'll take another

- 1 look at it. But you still weren't getting therapy.
- 2 Let's talk about the time after you stopped therapy.
- 3 Have you had to take any medications for the knee
- 4 other than Aspercreme or Flexall?
- 5 A. If I have a really, really bad pain I might
- 6 take like an Aleve, but that's rare. I usually deal
- 7 with it.
- 8 Q. Your answers interrogatories indicated that
- 9 your friends and family know how the pain and
- 10 suffering has impacted your life. Would that be the
- 11 girlfriend that you mentioned?
- 12 A. Uh-huh.
- 13 Q. Anyone else in particular?
- 14 A. My brother, but my stepson knows.
- 15 Q. What's your brother's name?
- 16 A. Rolando.
- Q. Have you seen any other doctors other than
- 18 Dr. Shepherd or Dr. O'Hearn since this accident
- 19 occurred in 2003?
- 20 A. Not that I recall.
- Q. Did you have to get a physical or anything

- 1 before starting work at your current job?
- A. Yeah.
- 3 Q. Who did that?
- 4 A. I don't remember if it was Quest Diagnostics
- 5 or Concentral. It was one of the two, but I'm not
- 6 sure.
- Q. Did you have to actually go to that facility?
- 8 A. Yeah.
- 9 Q. Do you remember where you went, because that
- 10 might just help me figure it out?
- 11 A. It was off of Benson Avenue.
- 12 Q. Is that in Severna Park?
- 13 A. Baltimore.
- 14 Q. Who was your attorney in the workers' comp
- 15 claim that you made for the prior injury with
- 16 Reliable?
- 17 A. I don't remember.
- 18 MS. ZOIS: I haven't been able to figure it
- 19 out either.
- 20 BY MR. SCHNEIDER:
- Q. Okay. Have you ever seen Dr. Robert Smith?

- 1 A. Doesn't sound familiar.
- Q. How about a Dr. Joel Fechter?
- 3 A. Doesn't sound familiar.
- 4 O. I'm just looking at the medical record that
- 5 your attorney provided to me, it was addressed to
- 6 Dr. Thomas Centi, he's with Concentral, C-E-N-T-I.
- 7 Have you seen him for anything other than the knee
- 8 injury which you sustained with Reliable?
- 9 A. No. I don't even remember him.
- 10 Q. Okay. Other than the -- your plan to get in
- 11 touch with Dr. O'Hearn for a follow up, do you have
- 12 any other further medical plans with regard to the
- 13 treatment of your knee?
- 14 A. No, unless he says otherwise.
- Q. Other than for the knee injuries which you've
- 16 already testified about, you had treatment in New
- 17 York and you had treatment here in Baltimore, have
- 18 you had any other personal injury injuries where you
- 19 required a visit to the hospital?
- 20 A. Not that I recall.
- Q. Have you been to any other hospitals other

- 1 than Kernan down here since you've been down to
- 2 Maryland?
- 3 A. For injuries?
- Q. Yes, not for the birth of a child or
- 5 something like that?
- 6 A. No, not that I remember.
- 7 Q. Have you been treated in a hospital?
- 8 A. Not that I remember.
- 9 Q. On the day of the accident, do you remember
- 10 what the lighting was like? Was it -- you indicated
- 11 there were headlights. Was it still light out at
- 12 all?
- 13 A. No, it was nighttime. Well, it was winter,
- 14 after 7:00 o'clock it's dark already.
- Q. Did you take any pictures of the accident
- 16 scene at all?
- 17 A. No.
- 18 Q. I think I'm about done, but let me just check
- 19 one thing. Do you recall roughly within a month or
- 20 so about how long you went to physical therapy after
- 21 your surgery in May of 2003?

Page 79 Α. Not this one? 1 Not this one, the accident that --2 3 Α. Okay, yeah. The accident happened in February, you had some therapy then you had the surgery. 5 6 After surgery, probably about three, four 7 months. Okay. And did you go to therapy -- did you 8 9 follow your doctor's instructions with regard to going to therapy? 10 11 Yeah. Α. 12 You weren't working at that time, correct? No. I missed one week of therapy, and that's 13 Α. because we went to vacation. 14 Where did you go on vacation? 15 Q. I went to Florida. Α. 16 17 Q. Did you drive or fly? She drove. Α. 18 Where did you stay in Florida? 19 Q. Poinciana, Kissimmee area. 20 Α.

Q.

Are there any attractions around there?

- 1 A. It's near Orlando.
- Q. Did you go to Disneyworld any of the days you
- 3 were down there?
- 4 A. We went to Universal Studios where they show
- 5 the makings of the movies and all that stuff and Sea
- 6 World.
- Q. But you didn't actually go into Disneyworld
- 8 itself, the rides?
- 9 A. No.
- 10 Q. Do you continue to do anything to strengthen
- 11 your knee now, any home exercises, things like that?
- 12 A. No.
- Q. Was there a period of time when you did home
- 14 exercises?
- 15 A. Yeah, I was.
- Q. How long did you continue doing them?
- 17 A. After I got out of therapy, probably about
- 18 another month, two months.
- 19 Q. Did you file tax returns during the time --
- 20 individual tax returns during the time that you were
- 21 a barber or were they filed as corporate tax return?

- 1 MS. ZOIS: Objection. You can answer.
- 2 A. Whatever my partner -- my partner took care
- 3 of all that stuff. I never saw any money about that
- 4 or paid any that I had to pay or whatever. I don't
- 5 know.
- 6 BY MR. SCHNEIDER:
- 7 Q. You're not making any kind of a lost wage
- 8 claim as a result of this accident?
- 9 A. No.
- 10 MR. SCHNEIDER: I don't have anything
- 11 further.
- MS. ZOIS: you have the right to
- 13 read this deposition transcript before it goes
- 14 into a final format. The court reporter has been
- 15 taking down everything that's being said at the
- table or has been said at the table. You can't
- 17 go back and change the substance of your
- 18 testimony, but you can go back and correct any
- 19 spelling errors that the court reporter may have
- 20 made. I have dealt with this court reporting
- 21 agency for many years, and they are very capable.
